## ESSER III Survey

In March 2021, the American Rescue Plan Act, also known as the ARP Act, was signed into law, dedicating funds for K-12 schools through the Elementary and Secondary School Education Relief (ESSER) III funds. As a result, McGregor ISD is eligible to receive one-time federal funds through the ESSER III program to be spent prior to September 30, 2024 to address expenses and learning delays associated with the COVID-19 pandemic. McGregor ISD is seeking input on how to utilize the funds to best meet the needs of MISD students and families. The list of allowable areas of need are listed below.

- 1) Address COVID related learning loss
- 2) Accelerate learning
- 3) Support the mental health needs of our students
- 4) Address other barriers to learning (e.g. meals, technology, etc)
- 5) Address other health and safety concerns

Your feedback will be an invaluable resource to the District as we move forward with the planning process for how ESSER III funds will be used to make the most impact for our students.

Which of these groups do you represent? Check all that apply:

Checkboxes

- Students ✕
